Dear Chris,

I really enjoyed your short stay with me in Waterdown. I still have your coffee and almonds - I have put them in my freezer hoping for a return trip and more time together to become even better acquainted.

Your presence at the board meeting was essential and will carry us on from here. Of course, as you probably expected, we do have some fences to mend.

As you know, we are updating our computer for the next mailing of the Quarterly. The following Quarterlies were not delivered from the last mailing. Could you please have your membership chairman check the address or the validity of the membership standing of the following whose Quarterlies were returned on the last mailing:

Rene Levesque Blvd., Montreal, P.Q.

Terrasse Eardley, Alymer, Ont. J9H 6B5.

Richmond Rd., #1614, Ottawa, K2B 8M7.

Ambleside Drive, Ottawa. K2B 6V4.

As I mentioned to you, I hope that your branch will submit its output to me for information and consideration.

I am really pleased to finally have you "on board",

Yours sincerely,

Donna Powell
